

Preoperative Instructions EYE

1. Surgery Schedule

- Changes may be made to the surgery schedule. Please plan to have your entire day free as the surgery center may call with a different arrival time.
- The surgery center scheduler will contact you with your arrival time.

2. Nothing to eat or drink after midnight prior to surgery.

3. Medications

Unless otherwise instructed:

- Take prescription medications the morning of surgery with a small sip of water.
- Bring a list of all medications including dosages.
- Diabetics**
 - Contact your Primary Care Physician for preoperative instructions regarding your diabetic medication.
 - Bring your diabetic medication with you to the surgery center.

4. Attire

DO NOT Wear

- Fragrances (Patient and Escort) - **PSC is a Fragrance Free Facility.**
- Make-Up, Contacts, Jewelry.

DO Wear

- Loose fitting button shirt.
- Sweat pants (elastic waistband pants).
- Slip on shoes.

5. Escort

- The escort is to remain in the building throughout your admission.
- Please allow only 2 escorts to accompany you.

6. After Surgery

- You must have a responsible adult drive you home.
- We recommend someone be with you for 24 hours if you have IV sedation.
